JOURNAL OFFICE OF LEGISLATIVE COUNSEL Saturday - 6 August 1977 1. LIAISON Called Tom Latimer, newly designated Staff Director of the House Select Committee on Intelligence, to congratulate him on his appointment and to talk with him about the timing of our meeting for the Committee in September. I told him the Director plans to be out of the country from 10 to 17 September but is considering cancelling those plans in order to be responsive to the interests of the Committee. (I mentioned that we were thinking of a dinner session with the full Committee at Headquarters as a first meeting.) Latimer said he expected that the Committee would be available to meet with the Director between 5 and 10 September and in any event was quite certain that they would work around the Director commitment to be abroad from 10 to 17 September. He indicated that during that time frame the Committee could be meeting with other offici of the Intelligence Community. I thanked Latimer for this information and told him that we wanted to cooperate with him and the new Committee in any way and to let us know if we could be of any assistance.		- San
